

## ***For Immediate Release***

### **INTECH ENGINEER RECEIVES NATIONAL INSTRUMENTS™ CERTIFICATION**

**MELBOURNE, Florida, April 30, 2006** - Intech, a leading systems integration company and a National Instruments Alliance Member, is proud to announce that one of their engineers, Eric Finley, has successfully completed the National Instruments Certification programs for LabVIEW™ Developer and Professional Instructor. The NI Certification program provides professional recognition for individuals displaying a high degree of knowledge and technical skill with National Instruments products.

Headquartered in Melbourne on Florida's Space Coast, Intech develops custom computer based solutions using state-of-the-art technologies for customers in Florida and throughout the Southeastern United States. Intech has been a National Instruments Alliance Member since 1995 and has maintained an on-site certified Training Center since 2000.

Additional information on Intech's *custom solutions* is available from Intech, Inc., 375 East Drive, Melbourne, Florida, 32904. Phone: 321-951-2326. Fax 321-951-2511. Email: [intech@go-intech.com](mailto:intech@go-intech.com). Website: <http://www.go-intech.com>.

\* LabVIEW™ is the trademark of National Instruments Corporation.
