

## **INTECH DELIVERS FOURTH ESS-ITA TO HARRIS CORPORATION IN SUPPORT OF HULIU PROGRAM**

**MELBOURNE, Florida - February 1, 2009** - Intech, Inc., a leading systems integration company, announced today that it has delivered another Environmental Stress Screening Integrated Test Assembly (ESS-ITA) to Harris Corporation in support of Harris' contract with prime contractor Lockheed Martin [NYSE: LMT] on the High Mobility Artillery Rocket System (HIMARS) Universal Launcher interface Unit (HULIU) Project. This is the fourth ESS-ITA designed and built for Harris

Corporation by Intech. The combat-proven HIMARS provides long-range rocket and missile artillery fire support for lighter, more mobile fighting forces.

Headquartered in Melbourne on Florida's Space Coast, Intech develops and deploys custom, computer-based solutions using state-of-the-art technologies for customers in Florida and throughout the United States. Intech has been providing products and services to Harris Corporation for over ten years.

Additional information on Intech's *custom solutions* is available from **Intech, Inc.**, 375 East Drive, Melbourne, Florida, 32904. Phone: 321-951-2326. Fax: 321-951-2511. Email: [intech@go-intech.com](mailto:intech@go-intech.com). Website: <http://www.go-intech.com>.
